

Questions and Answers

Release webinar Q1 2021

- Notes:** Are there already any known issues with the notes and highlight Beta?
Answer: Yes, and the limitations can be found in the end of this article: [Notes](#)
- Notes:** Will students be able to copy their notes and paste it in their essay?
Answer: Yes, it is possible to copy and paste text from notes into an essay by using Ctrl+C and Ctrl+V.
- Notes:** So no serious flaws in highlights and notes then?
Answer: No.
- New spell checker:** Is it possible to switch between languages within a test?
Answer: Yes. The student can change language, there is also an auto-detection, and different languages can be used per essay question.
- Grading scale default:** is it possible to use threshold values also as default?
Answer: No, it is not possible to use default threshold values, and this is not something we are planning on supporting.
- Calculator:** Have you considered offering a simple calculator as an alternative to Geogebra?
Answer: It is not something we have any specific plans for now. If you have a link to a simple calculator, then you can add it as a resource to a question set, but then you of course have to consider further links available on that site.
- SEB version:** What about support for new mac SEB version?
Answer: We are testing SEB 2.3 for Mac this sprint (March). If all is good with testing, then we will support that with next release (from beginning of April).
- Video calls:** What is the progress regarding allowing Zoom for example to working along with Safe Exam Browser?
Answer: Currently we are working making Zoom or other video tools working with [Inspera Exam Portal](#) (not regular SEB used in Inspera Assessment). We are expecting it to be ready later this year, and we will communicate this in our release notes when the time comes.
- Inspera Exam Portal:** When will Exam Portal be ready?
Answer: It is already released. So if you are interested in a subscription, you can contact your main Inspera contact or Service desk, and we can help you activate it.
- Inspera Exam Portal:** Will we see Inspera Exam Portal added in the security section of test options right next to SEB and Inspera Lock Down?
Answer: Yes. Currently it is available under the security settings if you have an IEP subscription. We are refining this a bit to make it more clear how to activate IEP, so the location of the test setting might change a bit in the near future. Here is an article on how to active IEP in the test settings: [Test Setup - IEP and Smarter Proctoring](#)
- Inspera Exam Portal:** Does it also work with Chrome lockdown?
Answer: No, not for now. But we have plans on supporting it in the future.
- Inspera Exam Portal:** Is Inspera Exam Portal an extra cost or is it included in the ordinary licence?
Answer: It is an extra cost.
- Is it possible to use Inspera Exam Portal and SEB in the same test?
Answer: No, it is not.
